Phone: 317-773-1820

- **Schedule**

- o We will play every week through March 31st with a league championship match to be played the following week.

- o If your schedule prevents you from playing a week, there is no penalty to take it off. You may also play that round a week early if you like.

- **Fees**

- o Each player will pay \$30 league fee (\$60 per team). 100% of league fees will go into the league prize fund. Payouts will be in the form of a StonyCreek GC Gift Card distributed at the end of the season.

- o Weekly fees: League rate for sim time is \$29/hr weekdays and \$39 on weekends. This is a 6\$ per hour discount from the regular rate

- **Booking**

- o You can book via phone 317-773-1820 up to 2 weeks in advance. Online at <https://stonycreekgolfclub.com/golf-simulator/> and click Book Sim Time.

- o If booking online, utilize the drop-down menu for Simulator 1 and Simulator 2 to see all available times.

- o 2 hours should be enough time for your 2-person team to hit a couple warm up shots and play 18. Your 1st round or 2 may take longer.

- **Technology**

- o StonyCreek staff will be available to help as needed for round setup.

- o Every once and awhile a shot won't read, forcing you to rehit, that is the nature of simulator golf.

- o The technology is fantastic, but it is a computer, sometimes it glitches. We'll be here to help.

- **Play/Format:**

- o Each week the format will be 1 best ball net. This means each 2-person team will count their 1 best net score on each hole. Lowest total score is the winner. We will also have closest to the pin on each par 3.
- o Because of the format, a player may “pick up” on a hole if you are confident, your partner will make the better score.
- o Gimmies: We will set gimmies to 10 feet, meaning once you hit a shot inside 10 feet your next shot is automatically counted as in the hole.
- o The mulligan setting will be on in the event of a mis-read golf shot by the computer. **This will solely be used if there is a technology problem.**
- o Scorecards: We will have paper scorecards each week that have Dots to indicate how many strokes each player receives. **Players will receive 50% of handicap.**
  - Course and yardage for the week
  - Course Settings
  - Par 3’s listed with space to record distance to the hole for closest to the pin
  - Scorecards will be available at the counter when you check-in and need to be turned in when you’re done.
- o Points will be awarded based on your team’s finish position each week and the top 2 point earning teams will play a championship match at the conclusion of league play.
